Administration

Alisha needs to talk with Wendy about the books and everything else and get together with Tonya

Feasibility

Kim got an email from Ray Grant at SUU... doesn't think students can handle doing a feasibility study. Very disappointing – feels like we've been led on.

We need someone who can handle some feasibility studies. NOT us.

Alisha asked if we have a budget. Kim thinks it will take \$4-\$5000.

We need to either find someone who can do this in kind or someone to sponsor it.

We all need to gather names and get back info to Kim by April 1. She will do research.

Kim will call Anna Boulton UDAM

Gail to call Ken Sizemore at Five Counties

Alisha got an email from Brian Tenney recommending Bruce Johnson in Cedar City

JJ to check in with Symphony about who they might have used or are thinking of using.

Paula will check all her marketing contacts.

New Board

Mauri Schuler: Kim feels she understands a lot and is interested in working with us. (suggested by Paula)

March Workshop Arts & Healing

Tuesday 28t): Kim, Gail, Lisa and Alisha cannot be there.
