Lynne had questions about people wanting to come for one session, we felt that it was better to have an audience than worry about registration. Paula handed out business cards for prospective donors. Paula will call Steve Lemon and remind him to send out notice to his list. If we get any more sponsors send the logos to Dan to put on the web page. Dan requested reimbursement for the Drum Circle he's been conducting.

Needs: Centerpieces for tables for dinner, plastic table cloths for Art sessions, easels for signage.
